EDUCATED

JOIN US

for Technicians' Day, a special day designed to maximize your value and enhance your experience at PestWorld 2018 by offering comprehensive educational sessions focused on key areas of concern for all attendees from the surrounding region. Plan to join us for a special luncheon exclusively for technicians. You will also have the opportunity to mingle with your suppliers and distributors in the exhibit hall. And don't miss the opening general session featuring Yossi Ghinsberg.

WHILE AT PESTWORLD 2018, YOU WILL:

- Network with more than 3,000 other pest management professionals, researchers, and vendors from around the world.
- Discover the latest business trends and learn how to apply these innovative ideas into your business.
- Earn valuable recertification credits at more than 100 hours of educational sessions led by world-renowned experts.
- Find solutions for your business in the largest pest management industry trade show in the world, showcasing the newest products, services, and technologies in pest management.
- Understand how legislative and regulatory issues will shape and influence the industry.

WEDNESDAY EDUCATIONAL SESSIONS INCLUDE:

Visit PestWorld2018.org for a full list of sessions

- Advancements in Rodent Research and Control Technology
- A Historical Look at the Pest Management Industry
- Controlling Common Pests in Uncommon Places: Overcoming the Challenges of Zoos, Parks and Other Sensitive Accounts
- America's Most Misunderstood Spider: Separating Fact From Fiction Regarding the Brown Recluse Spider
- Detecting Low-Level Bed Bug Infestations in Multifamily Housing
- Managing Mega-Colonies: Understanding the Challenges Behind Tawny Crazy Ant Control
- The Curious Case of the Dark-Eyed Fruit Fly: What PMPs Need to Know to Stop This Frustrating Pest
- Top Mistakes Termite Technicians Make and How To Avoid Them

TECHNICIANS' DAY LUNCHEON

Why Pest Control Technicians Rock!

Sponsored by 

Faith Oi, Ph.D., University of Florida, Gainesville, FL

Do you see yourself as a valuable contributor to your community and nation through the public health services you provide? The job that you do daily helps prevent pests that spread disease, contaminate food, and cause allergies. This session will cover the value of pest control in society and will identify YOU as a public health specialist with the expertise to help people live healthy, happy lives.

OPENING GENERAL SESSION

Featuring Yossi Ghinsberg

Sponsored by 
Agriculture Division of DowDuPont™

Yossi Ghinsberg is a world explorer, epic storyteller, and author of the book *Jungle*, which has been produced as a major motion picture.

Yossi's 'Amazon Survival Skills for Business' is a mesmerizing storytelling session that will keep you riveted to the edge of your seat. He knows survival like no one else, and he knows why it is important for businesses to learn and embed these survival principles. Learn how to awaken your 'Day to Day Hero,' following a set of natural survival skills we have all forgotten that we possess. His survival skills for business are designed to shift your perspective and inspire you to always assume responsibility, taking your game to the next level.
